

PROTECT-ALL®

COMMERCIAL FLOORING

Durable Flooring For Demanding Areas

*Manufactured from 100%
Recycled Vinyl*

Preserving Our Environment

PROTECT-ALL® Commercial Flooring is the leading recycled vinyl flooring product with the strength to meet the challenges of demanding areas.

PROTECT-ALL:

- Reduces incidents of slips and falls.
- Resists water and fire.
- Withstands extreme weight loads.
- Is impact- and puncture-resistant.
- Does not absorb stains or odors.
- Holds up against chemicals, animal fats, and grease.

Each year, an average of *six million pounds of vinyl waste* is recycled to produce PROTECT-ALL and kept out of our nations landfills.

PROTECT-ALL® Commercial Flooring is proudly manufactured in the United States of America.

LEED® CREDITS

PROTECT-ALL Commercial Flooring is manufactured from 100% recycled vinyl. With this and many other factors, PROTECT-ALL can help earn points towards LEED® credits.

Visit www.oscodoplastics.com/leed for the most current information on LEED credits.

PROTECT-ALL®

A Smart Investment

PROTECT-ALL is the ultimate heavy-duty surface for any commercial kitchen floor

PROTECT-ALL is environmentally-friendly and durable. It delivers a long-term flooring solution that will not break down when exposed to common kitchen elements such as grease and animal fats.

PROTECT-ALL is the best flooring solution because it:

- Helps reduce costly slips and falls.
- Provides leg and foot comfort.
- Delivers long-lasting, easy to maintain protection.
- Can be installed over new or existing floors.
- Features maintenance-free seams.

PROTECT-ALL is comfortable and keeps employees safe

Employees love PROTECT-ALL because it is comfortable to work on and helps reduce leg fatigue. When cleaned and maintained properly, PROTECT-ALL's slip-resistance helps stop employee slips and falls.

PROTECT-ALL is certified by the National Floor Safety Institute.

PROTECT-ALL protects your business investment by:

- Reducing breakage and replacement costs.
- Lowering noise levels and creating a quieter environment.
- Eliminating the need for regular, costly re-grouting.
- Guarding against water and fire damage.
- Minimizing slip and fall claims (with proper maintenance).

COMMERCIAL KITCHEN FLOORING

PROTECT-ALL is functional and affordable

Schools, churches, and multi-purpose centers across America are discovering that PROTECT-ALL is a functional and affordable flooring solution.

PROTECT-ALL features color "throughout" to deliver a consistent look that will not fade, crack, peel, or deteriorate. PROTECT-ALL is also non-porous and does not absorb stains, odors, or fluids.

Whether you are building a new facility, remodeling an outdated area, or protecting an existing surface, we have a product to meet your needs. Select from our fully-adhered vinyl sheets, loose-lay floor covers, or interlocking tiles.

Give worn-out gym floors an "Instant Replay"

Installing PROTECT-ALL over an existing surface helps save time and money by eliminating costly removal fees and possible asbestos abatement costs. By simply re-covering worn-out tiles with PROTECT-ALL, you will give your gym a great new look.

Ready For Action

Easy to maintain

Routine maintenance is all that is needed to keep PROTECT-ALL looking good for many years.

PROTECT-ALL Floor Covers offer protection

Spike heels, scuffs, chips, cuts, punctures, wheeled-weights, repetitive heavy impacts, high-traffic volumes, oils, and water are no match for our floor covers.

Use PROTECT-ALL Floor Covers in:

- Wood floor gymnasiums.
- Trade shows.
- Ice skating rink perimeters.
- Weight rooms.
- Basements.
- Fitness centers.

Wet-Foot Friendly

Fun water zones require a flooring option that is slip-resistant and feels good

PROTECT-ALL can help keep swimmers from slipping on water puddles around pool perimeters. PROTECT-ALL also exceeds OSHA and ADA coefficient of friction recommendations.

Let the sunshine in

PROTECT-ALL is a complete flooring system that can be installed in both indoor and outdoor aquatic centers because it will not fade and is UV-stable.

Unlike other flooring surfaces that deteriorate when exposed to chlorine and other chemicals, PROTECT-ALL is resistant to chemicals, tanning lotions, and harsh UV rays.

Helps keep the noise down

PROTECT-ALL is significantly quieter than concrete floors and has achieved a noise reduction coefficient rating of .05 in accordance with ASTM C423-90a and E 795-93 testing methods.

Deck-brush, squeegee, and go

Keeping PROTECT-ALL clean is easy. Simply deck-brush soiled areas, squeegee excess water into drains, and go. Install PROTECT-ALL and your pool deck will not require painting, resurfacing or resealing.

PROTECT-ALL retards bacteria and mildew growth, helping keep surfaces sanitary. Check with your health department for local regulations.

PROTECT-ALL is:

- Waterproof.
- Slip-resistant.
- Resistant to mildew and bacteria.
- Easy to clean.
- Environmentally-friendly.
- Long-lasting.

AQUATIC FLOORING

Active Dogs Dig It!

Animal care providers are choosing PROTECT-ALL for their facilities because it helps keep their four-legged clients safe and comfortable.

PROTECT-ALL is a flooring option that looks good and does not absorb unsightly stains or offensive odors.

Sharp claws, paws, heels or heavy equipment will not puncture or indent PROTECT-ALL, and its ¼" density helps reduce animal anxiety by absorbing loud sounds commonly found in animal care facilities.

PROTECT-ALL can be installed in:

- Exam rooms.
- Entryways.
- Surgical and recovery rooms.
- Pet kennels, day care facilities, and playrooms.
- Dog runs.
- Training rooms.
- Grooming areas.
- Equine hospitals.
- Pet hotels.

As founder and owner of Club Bow-Wow, I wanted the best flooring material for our state-of-the-art facility, but at a reasonable price. After researching flooring options and consulting with my architect, we decided on PROTECT-ALL Flooring. PROTECT-ALL provided our facility with an environmentally-friendly, yet attractive flooring solution. More importantly, it protects the pads and joints of our dogs and it is non-slippery even when wet. This heavy-duty and durable flooring was the best fit for our needs and the comfort of our guests.

PROTECT-ALL has helped maintain our theme as a premium doggie day care and state-of-the-art club, designed specifically for our four-legged friends.

Sincerely,
Renee Branter
